

CONSUMABLES—[kon-sum-a-b'ls] nourishment taken into the body of a plant or animal for the purpose of maintaining life.

CORRIDORS—[kor-i-dors] the usual routes that would be taken by spacecraft approaching a planet.

CORTILLA-[ko-til-la] a dance.

CORTEX SCAN—[kor-teks] a form of interrogation developed by the Cylons in which the subjects mind is scanned and recorded. It is extremely painful, causes unconsciousness, and sometimes death.

CRANIUM PROBE—a medical test for cranial damage.

CRAWLON—[krol-on] a wingless animal resembling a true insect except that it has eight legs instead of six, and its body is divided into two parts instead of three.

CRYOGEN TUBES—[kri-o-jen] cylinders used for cryogenic suspension.

CUBIT—[ku-bit] ore, coined or stamped, and used by colonials as a medium of exchange.

CYMKLEN—[si-m-ken] the second highest mountain on Caprica.

CYMTAR—[sim-tar] a moon of Caprica.

CYLON—[si-lon] originally, a war-like technologically advanced reptilian race that created sophisticated robots, and totally intelligent androids. Ultimately, these machines destroyed their creators and formed an alliance among themselves with their only objective being to rid the universe of humans.

DAGGIT—[dag-it] a warm blooded quadruped related to the wild Equellan lupus.

DEATH STONE—a grave stone.

DEEP SCAN—a long range scan.

DELPHI—a freighter.

DELPHIAN EMPIRE — a proud and noble race whose home world, Gomoray, is now in the hands of the Cylons as of 6572.

DESTROYER—a large warship used by the Eastern Alliance.

DETONATOR—[det-o-nat-or] a device for detonation.

DI-ETHENE—a noxious gas created by the refining of tylium.

DUCAT—[duc-ats] ore, coined or stamped, and used by the colonials as a medium of exchange.

DUCKIT—[duk-its] a written or printed card which serves as a permit to do something.

EARTH—[urth] the mythical thirteenth colony of man. The Book of Elders at one point refers to Earth as the third planet of nine, circling a yellow star at the edge of the Frodian Galaxy.

EDEN—[e-d'n] largest city and capital of Kobol.

ELITE CLASS—very exclusive and expensive section of luxury liners.

ENERGISER—[en-er-ji-zer] a power unit of great magnitude.

ENERGON TREATMENT—[en-er-jon] the injection of powerful stimulant.

FINITE LASER EXTRACTOR—a device for taking images of cells in the body.

FINITE MICRO-LASER—a very minute laser scalpel.

FORCE NITRON FILED—a pipeline that delivers nitrogen in a usable compound directly to the roots of growing plants, along with water and other essential minerals and nutrients.

FORCE SHIELD—an invisible field used for protecting planets.

FREIGHTER—[frat-er] a large ship designed to haul cargo. Now used as living quarters.

FUEL CELLS—metal or plastic enclosures containing fuel.

FUMARELLO—[fum-a-rell-o] a small roll of tobacco wrapped in paper for smoking.

FUMARELLO CASE—a small container that holds fumarells.

FURLON—[fur-lon] a leave of absence, usually military.

GAMMA FREQUENCY—an obsolete radio frequency.

GEMON—a planet in the Hesaris system.

GENERATOR—[gen-er-a-ter] an apparatus that changes mechanical energy into electrical energy.

GOMORAY—the 4th planet in the Cyrannus system. See Delphian Empire.

GORGAN—a planet in the Cyrannus system.

GRID BARGE—a place for the confinement of criminals.

GROG—[grog] an unsweetened mixture of liquor and water.

GYRO-CAPACITOR—[ji-ro-ka-pas-i-tor] the electric energy transference system in most starfighters.

HAND MINE—an explosive device that can be thrown by hand, or set on a timer.

HARMONIC—[har-mon-ik] a recorded message that has travelled through space for a very long time.

HASARIS—[ha-sar-is] an amphibious race first contacted by humans in 5225. In 5549, two years after the cylon invasion, despite a valiant defense by the combined human forces, the Hasaris were enslaved, and then exterminated.

HECTAR—[hec-tar] 100 meters.

HEDGE HOPPER—a quadruped, native of Sectari.

HEKLA—[hec-la] a mountain on the asteroid Arcta.

HEMO TYPE—the type of fluid that circulates in the veins, heart and arteries in humans and animals.

HERMAPRODITE—[herm-a-fro-dit-e] — having the traits and attributes of both sexes.

HETARI—[he-ta-ril] six sectons.

HIGH JACK—the act of illegally seizing a spacecraft for transportation.

HOVER MOBILE—a 2-4 person anti-gravity vehicle used for ground transportation.

HYDRAPONICS—[hi-dra-pon-iks] a method of farming used on agro ships.

HYDRONIC MUSHIES—[hi-dron-ik] high energy consumables.
