The Bloop, an alien monkey that became the Robinson's family pet. It was featured in all three seasons in various episodes. However, during the third year a chimp was needed for another series ("Daktari") and it was not in LIS for the latter part of the season. Shown in the photo is the Bloop (whose name was Debbie) being held by Judy Robinson (Marta Kristen).

Dr. Smith (Jonathan Harris) is caught in the clutches of an alien monster! From "The Golden Man," a second season entry.

- (9) "The Oasis" — The Bloop
